## **1 From 15/11/17 to 29/11/17**

- Research of a project we are interested in. We all agree in working on commercial flight visualization.
- We found a dataset in <http://ec.europa.eu/eurostat/fr/data/database> where we there is interesting data about commercial flights in Europe.
- Reflection on what we want to visualize (cf Design Sketches)
- Set up of Github Organization.
- 2 pages article
